Tasting Note:

2014 Pinot Noir, Radian Vineyard

This comes from our favorite little block at Radian Vineyard, 50b. It is 100% clone 667. The color on our 2014 Radian Vineyard is a bright garnet. The nose is very expressive with loads of fruit, spices and dusty, sage like earthiness. On the palate the wine is crisp, bright and lifted. It comes across fresh and driven by red fruits, minerality and juicy acidity. The finish is clean and soft and lingers due to a slight dose of stem tannin.
