Second Street Cuvée
Santa Barbara County

Our new release of the Second Street Cuvée is a blend of Grenache, Syrah and Mourvèdre from a group of vineyards, throughout the county, that show off the beautiful, earthy fruit quality Rhone varietals take on in this ideal location. The grapes were drawn from hillside blocks that we were certain would help us craft this Cotes-du-Rhone style wine into an immediately drinkable, food friendly wine.

Tasting Note: Aromas of dark fruit and violets mixed with freshly cracked black pepper make for a distinctly complex nose. On the pallet the wine is medium to full bodied and is framed by juicy acidity making it a very food friendly red wine. There are velvety tannins this year that make the finish linger on your palate. This will pair nicely with a wide array of foods, anything from duck and quail to grilled steaks this wine will fit the bill.
