

## 2017 Rosé Santa Ynez Valley

For 2017 we sourced Grenache from Mesa Verde Vineyard for the third year in a row. We don't normally pick fruit from that far into the valley because, for us, it's all about cool climate fruit. In this case though, we wanted to pick early to maintain bright acidity and to promote a fresh and vibrant wine. At the same time, we also wanted the fruit to have developed some riper flavors. The warmer part of the valley made perfect sense in order to achieve both goals. The result is delicious and it remains our favorite Spring/Summer wine. Provided there's still some available come Summer time!

***Tasting Note:*** *Bright salmon orange/pink in color. The nose boasts fresh strawberry, and dusty red fruit aromas. On the palate, the 2017 is light and fresh with juicy citrus and strawberry flavors, followed immediately by crisp, mouthwatering acidity.*

139 cases and 10 kegs produced
