2018

Rosé

Santa Ynez Valley

For 2018, we sourced the Grenache from Mesa Verde Vineyard but we made small amounts of Rosé from Syrah and Mourvèdre as well. It was both a vintage thing (in that we wanted to bleed some juice off of a couple different lots) and we thought it would be a fun experiment. We made a barrel of each varietal and blended them with the Grenache to make this year's version. The result is most obvious on the nose of the wine with a little more cherry and berry than the straight up strawberry from years' past. It remains our favorite "go to" wine for Summer and beyond.

***Tasting Note:*** *Bright salmon orange/pink in color. The nose is like a bowl of fresh cherries, strawberries and dusty red raspberries. On the palate, the 2018 is light and fresh with juicy cherry/berry flavors, followed immediately by crisp, mouthwatering acidity.*
